## **Beware False Prophets**

Jesus knows that many will challenge his teachings. Only, they won't do it directly; they will pretend to represent him and twist the truth. Jesus wants to prepare his followers to see them for who they really are.

# LIVE IT

Jesus tells his disciples in Matthew 10:16: “Look, I am sending you out as sheep among wolves. So be as shrewd as snakes and harmless as doves.” We must be wise and discerning when it comes to teaching in the world around us. We cannot listen to someone just because they are a good speaker or we like their style of worship. We must look at their lives and the fruit they produce. How are their disciples living? Does it match the way of Jesus as taught in the Sermon on the Mount? If not, flee! We must give priority to preachers and teachers who we know are producing good disciples and whose lives and ministries we can examine.
