

JOURNEY WITH US AS WE
JOURNEY WITH JESUS.

Tell us one good thing!

*What stood out to you in
your reading this week?*

Live it

It was the practice of Martin Luther to use the Lord's prayer to structure his daily prayers. He would recite each verse and stop after each one to pray personal prayers aligned with that petition. For example, after reciting, "Our Father in heaven, may your name be kept holy..." he would pause and praise God in specific ways for relationship, provision and the nature and character of God. Use Luther's model as a guide for your praying this week. Report back to the group what the experience was like next time you gather.

Live it

Those of us who have put our faith and trust in Jesus have been reborn in the family of God. We are a new creation with his law written on our hearts through the indwelling of the Holy Spirit. The Word now resides in our hearts. We are now the hands and feet of Jesus. When we are obedient to him, we reveal Jesus to the world.
